DEDICATION

The Class of 1982 dedicates the 1982 Spindrifft to Mr. Isom Sargent, Class of 1982 advisor, Sumner teacher, coach and friend. The class thanks Mr. Sargent for the many hours spent on class activities — the 1981 Prom was the best ever! — and his understanding of our problems. Mr. Sargent is an all-American nice guy, always true to the best spirit of Sumner High. We will greatly miss him, even his bad jokes and blinding ties!

APPRECIATION

The Class of 1982 extends special thanks and a fond good-bye to Mr. Chet Van Cleef, custodian extraordinaire. Chet's humor, hard work, chivalry to the ladies and willingness to take on the guys make him a favorite with staff and students. Chet in his workday activities at Sumner is a modest example of outstanding human qualities. We all feel better knowing he is there to help us out.

Varsity Club funds provided the student bus to the Girls Basketball Tournament Playoff game with Schenk at East Millinocket. Club advisor, Mr. Watson, drove the bus. The Club plans to buy a drag for the baseball field and an outdoor sign to notify the community of coming events at Sumner.

CROSS-COUNTRY

The 1981 Boys and Girls Cross-Country Teams worked harder and ran more miles (1,263¼!) than any cross-country team in Sumner's history, according to Coach Sargent, who returned for his fifth season as cross-country coach.

The brother combination of Harvey and Robert Springer gave a powerful punch to the Boys Cross-Country Team. Both would have qualified for the State, but Harvey was 'out of the running' following an injury in the Regionals. Robert made a fine showing at the State Meet. Harvey was Sumner's Most Valuable Runner and Robert was High Miler.

Individual coaches were Allan Church and Elizabeth Walker. Captains were Robert Springer for the Boys Team and co-captains Beth Packard and Elizabeth Walker for the girls. Sumner defeated teams from George Stevens, Narraguagus, Searsport, Hermon, Bucksport, Deer Isle and Lubec. High Miler for the girls was Beth Packard. The Golden Sneaker Award went to Joe Bryant for his 'stunning' performance at Narraguagus when he ran into a telephone pole!

Coach Sargent summed up this year's team in these words: "For a sport that is based on individual effort, their support for one another, their school pride and their sportsmanship was inspiring. This group has established a solid foundation for cross-country in the years ahead."

High Miler Robert Springer held aloft by teammates A. Church, R. Dorian, O. Whalen and J. Bryant

1981 saw Mr. Marshall in his fourth year of coaching Boys Soccer at Sumner. The season started slowly, but finished very respectably, as the record shows, with 4 wins and 1 tie in the last 7 games. The Season Record was 4-9-1.

Co-Captains were P. J. Davis, Jim Billings and Timmy Manning. P.J. was voted Most Valuable Player.

Although the team will lose 7 seniors, 5 of the 7 returning players are lettermen. Sumner should have a strong soccer future with these returning players and recruits from the JV's.

The Sumner Golf Team has matches against Orono, Herman, Ellsworth, Deer Isle-Stonington, Bangor, MDI, Hampden and Brewer and participated in the Eastern Regionals. David Dowler was Sumner's best golfer and the only team member with previous experience.

"Of all the teams I've coached at Sumner, this one had the most Character," says Coach Leighton.

GIRLS SOCCER

This year Girls Soccer was coached by Mr. Dennis Harmon. Co-Captains and Most Valuable Players were Jennifer Stoke and Shelley Clarke. Mary Smith received the Coach's Award.

The team had many young players who matured and increased their skills during the season. The Season Record of 0-13-1 indicates a building year, but the girls should be ready for more action next year with returning players and new recruits. Karen Nankervis, the team's most aggressive player, and Debbie Smith, the most improved, according to Coach Harmon, will be back to bolster the team in 1982.

BOYS VARSITY BASKETBALL

The Boys Varsity Basketball Team lacked height and experience, but played every game with gritty determination. Many of the season's losses were by small margins. When the team size dwindled in mid season, those boys who remained represented their team and school in a manner for which they could be proud.

Eric White received the Most Valuable Player Award and James West earned the Coach's Award for the 1981-82 Sumner Tigers.

BOYS JV BASKETBALL

The JV Boys Team was very inexperienced, losing 9 players from 80-81, but the team worked very hard beginning in pre-season play and continuing throughout the season. They had a good chance to win 10 of the 16 games played and managed 6 wins. Many JVs will go on to varsity play next year and should be a great asset to the team if they continue the hard work.

David Dowler was voted Most Valuable Player by his teammates.

Leta broke the school record for Most Points in One Game with 38 points in the Washington Academy game January 21! She finished with 323 for the season.

The Girls Varsity Team, with a really good attitude, surpassed Coach Harmon's expectations for the season, losing a hard fought playoff game to Schenk by 5 points in overtime. We can expect exciting ball from the girls again next year.

Although the JV girls did not have a winning season, Coach Marshall credits the team with having a good attitude and going into every game expecting to do well. The girls learned that a serious commitment must be made to be successful, they learned to lose gracefully and they learned skills that enabled them to develop consistency toward the end of the season. The team had fun and never lost spirit.
